**Corporate Governance Statement**

Corporate governance is the system by which companies are directed and managed. It influences how the objectives of the Company are set and achieved, how risk is monitored and assessed, and how performance is optimised. Good corporate governance structures encourage companies to create value through entrepreneurship, innovation, development and exploration and provide accountability and control systems commensurate with risks involved.

Good corporate governance will evolve with the changing circumstances of a Company and must be tailored to meet these circumstances. Discover Alaska Limited is a junior mining and exploration Company.

The Company's Board and management are committed to a high standard of corporate governance practices, ensuring that the Company complies with the *Corporations Act 2001*, Australian Securities Exchange (ASX) Listing Rules, Company Constitution and other applicable laws and regulations.

In February 2019, the ASX Corporate Governance Council released the 4<sup>th</sup> Edition of its Corporate Governance Principles and Recommendations (4<sup>th</sup> Edition Recommendations) which came into force for financial years commencing on or after 1 January 2020. Discovery Alaska Limited has reviewed and updated its corporate governance practices to adopt the 4<sup>th</sup> Edition Recommendations.

The table below sets out the Company's position as at 10 September 2024 with regards to its compliance with the 4<sup>th</sup> Edition Recommendations:
